

## Engaging opportunities within your community

We are so glad to have you as an active member of our community. We're currently looking for volunteers and donations for the Refugio County Volunteer Reception Center. Although it has been almost a year since Hurricane Harvey has devastated our Community many residents are still in need of help. The Volunteer Reception Center has some volunteers coming in June and will need some items to help with hospitality. Please find a list below of some needed items and consider making a donation to this cause if you can. To make this a success, we need your help. If you would like to make a donation or volunteer your time please contact the Refugio County Volunteer Reception Center at (361) 230-1154.
